Kristen M. Delaney

Dear Bob,

I am pleased to be able to share with you that we have filled the Director of Marketing & Public Relations position and hope you will join me in welcoming Kristen Delaney to our "Fox family". Her first day will be July 30th.

Kristen comes to us with a strong background and wealth of experience. Her most recent position was Manager of Marketing and Product Planning for Honda Motor Corporation. She holds an MBA with a concentration in marketing from Georgia State University and also was involved with the Alvin Ailey American Dance Theater's summer programs.

There were many qualified candidates who applied for this position and the final decision was difficult however I feel confident that Kristen will bring a great deal to the Fox Theatre and be a good "fit" for us.

As always, please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Allan C. Vella".

Allan C. Vella
General Manager
